

SUPREME LEATHER AND VINYL VITALIZER

A solvent-free, water-based dressing designed to protect and shine leather and vinyl surfaces.

Features & Benefits

Long Lasting

With a high silicone content Vitalizer leaves a long lasting shine.

Shines and Protects

Vitalizer not only enhances the appearance of plastic, vinyl, rubber and leather but it also provides protection increasing the life span of the material.

Water Based Dressing

Vitalizer's water-based formula dries without leaving a sticky film behind. Solvent-based dressings can cause long-term harm to your interior and leave an evaporation film on windshields.
